SWIMMING

An American Red Cross certified lifeguard is on duty when after school care participants swim. To further ensure the safety of all children, we follow a strict staff/child ratio at all times.

My child is able to swim by himself/herself and I give him/her permission to do so as part of the after school program.

My child is not able to swim by himself/herself. I request that he/she wear a life jacket while swimming.

My child may not participate in recreational swim.

SUNSCREEN

NLRAC staff members may apply sunscreen to pre-school age children, if necessary. School age children will be supervised but may apply sunscreen to themselves. Any special instructions relating to sunscreen should be listed under "Medical Information."

TRANSPORTATION & PICK-UP AUTHORIZATION

Participants are transported to and from school in passenger vans. Children less than six years of age or under 60 pounds will be seated in club supplied boosters while in vans.

My emergency contact is authorized to pick up my child from the NLRAC.

DISCIPLINE

The NLRAC reserves the right to remove a child from any program or activity if the child's behavior jeopardizes his/her own safety, that of others, or is so disruptive that the enjoyment of other participants is diminished.

The NLRAC uses "timeout" to encourage good behavior. A child who must take a timeout will be removed from participation and is required to sit alone quietly for 1 minute for each year of age, i.e., a five year old would incur a 5 minute timeout whereas an eight year old would sit for eight minutes. This policy will be clearly explained to each child and a verbal command will be given which instructs the child as to how he/she is supposed to behave before any timeout is given. Parents will be informed on a daily basis if their child was put in timeout. Continuous behavioral problems may result in removal from the program.
