

Set up your online access so you can manage your account!

1. **Go to nlrac.com**
2. **Click “Member Login” at the bottom right of the home page**
3. **Proceed as follows:**

If you HAD online credentials in the old system:

Your username will be the same but your password is not. The first time you login, please use “111” for your password after which the system will ask you to provide a new one of your choosing.

If you DID NOT HAVE online credentials in the old system:

Your username and password have both been set to the keytag number we have associated with your account. If you’re not sure what yours is, come ask us.

If you have questions, our support team will be happy to help. You can email the team at support@lrac.com.
